

Permission to Leave TAA Property PICK UP AUTHORIZATION

Please read the following information and directions carefully as we will not deviate from this policy when letting your child(ren) leave school with others.

1. Please complete all requested information.
2. List all people who have permission to pick up your child(ren) from school.
3. No child can leave with anyone not on the list unless we have written permission from the parent.
4. Even if a name is on the list, you need to notify the school if your child does not usually leave school with this person. For example, if you usually pick up your child but he is going with another family on the list for an afternoon activity, you need inform us of this deviation from the regular schedule.

I have read and understand the above policy.
