**1st Quarter***Mr. Miles, 6th SS Honors:*

Jaya has shown great potential in her analysis of social studies content, and her work on the Ancient history project was exemplary. However, her test and quiz performance could improve.

*Mr. Miles, 6th ELA:*

Jaya is an active participant in class, but has struggled to submit work on time, which is negatively impacting her grade. I'd like to see more consistency in the 2nd Quarter!

*Flor Bonita, Character & Study Skills:*

Would like to see more participation in class

Your potential is much higher than this, but you need to apply yourself.
